

Helen's MG S5 EV

Q

What was it that got you excited about the car you chose?

A

I could afford it and it had all the features I wanted: min 400km range and a big boot.

Q

Is there one negative you would like to mention?

A

Becoming tech savvy enough to change the default settings on the car

Q

What's the best, or funniest, or most memorable comment you've received from someone else about your EV?

A

"It's a phase you're going through"

Q

When did you first seriously think about buying an electric car?

A

I've been thinking about it for 10 years due to concern for the environment, but had to wait until it was affordable for me.

Q

What's the best thing about being an EV driver ?

A

The lack of guilt! And the car has a 10-year warranty which makes me feel safe.

Q

What would be your advice to someone thinking about an EV right now?

A

Buy what you can afford and if you can afford one with a bigger range, do so.
