

Regenerate

Regional Leadership Program

Eurobodalla

COMMUNITY DESIGN WORKSHOP

Wednesday 17 August 2022
9.45am–3pm

Eurobodalla Botanical Gardens
Deep Creek Dam Road
Batemans Bay, NSW

Come along to the Community Design Workshop and contribute your ideas and expertise to help 'design and ground the Regenerate Regional Leadership Program' at a local level. Lunch, morning and afternoon tea provided.

Regenerate Eurobodalla is a 9-day leadership development program. Starting in late October, the program will strengthen community resilience to future natural disasters by bringing together current and emerging local leaders and interests participants from diverse backgrounds and sectors with a shared ambition to collaborate in the long-term recovery of their community.

Co-designers and facilitators of Regenerate Eurobodalla, in partnership with ARLF.

The one-day Community Design Workshop will help:

- » Create an inspiring leadership journey that enriches Regenerate Eurobodalla Leadership Program participants and the community.
- » Develop ideas for potential leadership projects that can be funded through the program.
- » Identify possible candidates for the program.
- » Identify program support systems for participants (mentors & other resources).

This design workshop is a key component in creating an inspiring leadership journey that helps program participants learn and grow as well as providing positive long-term community outcomes.

Workshop agenda

Morning tea

Welcome and purpose

Introductions

Evidence of leadership success in Eurobodalla

Possible projects in the Regenerate Eurobodalla program

Role of local organisations and agencies

Lunch

Asset Based Community Development
