

**The Australian Government
wants to hear your thoughts on
a new fuel efficiency standard.
SHASA SUPPORTS CHOICE C**

**A fuel efficiency standard
means that all new cars
coming into Australia will
need to abide by regulation
that ensures vehicles are**

- . efficient on petrol**
- . low on emissions**
- . or have zero emissions**

WHAT THIS MEANS IS

- . it will help meet our net zero target ✓**
- . you will save money at the petrol pump ✓**
- . it will reduce Australia's transport emissions ✓**
- . you will have more choice in the cleaner cars you
will be able to buy ✓**
- . you will be helping protect the environment ✓**
- . you will be helping to protect our health ✓**

**SHASA is asking for your help by filling in
the quick questionnaire in the QR Code link.
It will take only 10-20 minutes.
Closes Monday 4 March 2024**
