

Working Together for a Cleaner, Smarter Future
for the Eurobodalla

Our Focus is on:	Key Actions
Climate Leadership & Adaptation	<ul style="list-style-type: none">• We promote and support actions that help mitigate and adapt to climate change.• We advocate for electrifying households, transport and infrastructure to drive a low-carbon economy.
Project Planning & Delivery	<ul style="list-style-type: none">• We deliver practical projects on time and within budget.• We build networks and collaborate with like-minded organisations on climate initiatives.• We ensure our governance policies and procedures are up to date and implemented.
Community & Stakeholder Engagement	<ul style="list-style-type: none">• We help raise community awareness on climate change.• We engage effectively with key stakeholders.• We support Community initiatives like the Repair Cafe and Food Distribution Program.• We aim to assist those most affected by climate change.
Funding & Resource Planning	<ul style="list-style-type: none">• We seek both short-term and long-term funding opportunities.• We continue to help fund renewable energy projects.• We partner with businesses and organisations that share our vision.• We aim to attract more tax-deductible donations.
Membership & Public Awareness	<ul style="list-style-type: none">• We seek to ensure that the community is aware of SHASA's activities and successes.• We continue to build a larger, more diverse and active membership base.• We use SHASA's success stories to inspire climate change action.
