Start here to get your house & property ready

Prepare your property

Consider doing some of these simple steps:

RFS Bushfire Survival Plan resource

- Ensure reliable source of water
- Consider fire sprinkler systems
- Long hose to reach around house
- Prune large trees and vegetation
- Clear gutters and drains
- Get covers for chimneys, vents and drain pipes to keep embers out
- Move combustible objects away from buildings

Storms, floods and tsunamis

- Understand your flood and tsunami risk flash flooding, storm surges, river or coastal, and tsunami warnings.
- Identify higher ground to move to

If threat is minor, consider

- Using sandbags near all openings
- Reinforce doors and windows
- Clear gutters and drains
- Move valuables to higher level
