

# Southcoast Health & Sustainability Alliance

## Working Together for a Cleaner, Smarter Future for the Eurobodalla

<b>Climate Leadership &amp; Action</b>	<ul style="list-style-type: none"><li>• We promote and support climate mitigation and adaptation actions (e.g. community bushfire and heatwave havens, solar and batteries on community facilities).</li><li>• We advocate for solar farms and solar carparks and the electrification of homes and small business, transport and infrastructure to drive a low-carbon economy.</li></ul>
<b>Project Planning &amp; Delivery</b>	<ul style="list-style-type: none"><li>• We deliver practical projects (e.g. sustainability upgrades to community buildings, Repair Café, Moruya food and pet programs).</li><li>• We provide ongoing operational and communications support for a network of community bushfire and heatwave havens.</li></ul>
<b>Community &amp; Stakeholder Engagement</b>	<ul style="list-style-type: none"><li>• We assist the community to take climate action.</li><li>• We raise community awareness of SHASA.</li><li>• We engage effectively with key stakeholders.</li><li>• We promote disaster preparedness.</li><li>• We develop networks and collaborate with like-minded organisations and businesses on climate and energy initiatives.</li></ul>
<b>Funding &amp; Governance</b>	<ul style="list-style-type: none"><li>• We seek short-term and long-term funding opportunities.</li><li>• We seek to grow the number of active volunteers.</li><li>• We review and improve our governance and financial processes as needed to ensure long term organisational viability.</li><li>• We seek donations to support community projects.</li></ul>
