

# Angela and Peter's SKODA Elroq

**Q**

When did you first seriously think about buying an electric car?

**A**

***We've been waiting for 10 years for prices to come down.***

**Q**

Is there one negative you would like to mention?

**A**

***The car has delivered more than expected. There's nothing we don't like.***

**Q**

What's the best, or funniest, or most memorable comment you've received from someone else about your EV?

**A**

***Oh aren't you lucky!***

**Q**

What was it that got you excited about the car you chose?

**A**

***We had a Skoda (but not EV) previously, so it felt like home. Other makes were too feature dense and over-engineered.***

**Q**

What's the best thing about being an EV driver?

**A**

***The lack of guilt. Your decision to drive anywhere is not influenced by cost of petrol or cost to planet.***

**Q**

What would be your advice to someone thinking about an EV right now?

**A**

***Take a heap for test drives. The world will open up to you.***
